

"Boston: Ethnic Mosaic"

1. Many jobs and middle class residents have left central Boston and moved where?
2. Why are Roxbury and other neighborhoods in the video well located for economic growth?
3. The video mentions an "Empowerment Zone." This is an area that could receive federal money to help boost the local economy. How much money could be awarded to Boston should they win the federal grant?
4. What data is used in the GIS to map Boston's poorest areas?
5. What ethnic groups are found in Boston's poorest neighborhoods?
6. What infrastructure is located in or near the proposed Empowerment Zone?
7. How much money does Boston get from the federal grant?
8. What improvements can be seen in the Empowerment Zone in the years following the federal grant?
9. What examples of ethnic pride are visible in the newly renovated neighborhoods?
10. Once Boston wins the full \$100 million dollar prize, what do they use the money to do?
